

Number Sense Companion Production Set

This production set contains editable Word files aligned to the final Book 1 manuscript. The final companion upload should contain both the editable Word files and matching PDF versions. Use the book for instruction, models, worked examples, explanations, and lesson flow.

Recommended use

When	Print	Purpose
Before a chapter	Ready-to-Learn Check	Confirm prerequisites and plan support.
During practice	Worksheet A, B, or C	Match support and application to evidence.
During checking	Tripwire Check	Test one high-value misconception.
Before moving on	Exit Ticket	Make a short mastery decision.
After chapter pairs	Cumulative Check	Test delayed retrieval and locate a narrow gap.
End of course	Review A, B, or C	Review foundations, procedures, or application.
When a gap persists	Recalculation Path	Confirm, reteach narrowly, recheck, and road-test.

Package contents

- 68 student printables: 60 chapter resources, four cumulative checks, three cumulative reviews, and one final tripwire.
- 11 teacher files: ten chapter teacher guides and one cumulative teacher answer and diagnostic guide.
- Three Recalculation Path files: Student Forms, Teacher Guide and Keys, and Trackers and Forms.
- Editable DOCX versions of every resource. Matching PDF versions are part of the final upload set; create them only after final visual review of the Word masters, then add them to the PDF folder before upload.
