

Algebra — Editable Word Companion

This download contains editable Microsoft Word versions of the consumable student work and teacher-only implementation resources that accompany Algebra: A Complete Course -- Book 2. It does not replace the book. Use the book for instruction, models, worked examples, explanations, and lesson flow.

How to Use This Download

Keep files in 02_Teacher_Guides_and_Diagnostic_Keys out of student hands. They contain answers, likely-error diagnoses, and next instructional moves.

What Is Included

This package includes 60 student work documents and 10 teacher-guide and diagnostic-answer-key documents across 10 chapters. Student questions include ruled working space. Teacher guides include complete Practice solutions with each question kept on the same page as its solution.

File Naming

Each file begins with the chapter number (C01-C10). Student files are named for their type: Ready-to-Learn_Check, Worksheet_A_Guided_Practice, Worksheet_B_Independent_Practice, Worksheet_C_Mixed_Application, Tripwire_Check, Exit_Ticket. Teacher files are named Teacher_Guide_and_Diagnostic_Answer_Key.
